LETTER FROM MOLLIE DING

Dear brethren

Most of all thank you for all you sms, phone calls, concern, cards over my recent ailment. God, now I am almost back to normal although not quite as I need to push myself to exercise every day and I have been pushed by my housemates and reminders to go for my "Jericho walk" everyday that I just can't escape!!!!

Have been sleeping and eating very well and also have been skipping classes for the past two weeks as I was under a whole bulk of very strong medications that knocks me of as the doctor at the National University Hospital, Singapore diagnosed that I was suffering from a minor stroke and thank God I don't have to face the medicines until when I see my stroke specialist as well as Endocrine for my thryroid in April hopefully!!! I am only on one pill for my thryroid which link to my breadthless and for my cough. Greek is also going down the drain!!!

Anyway, continue to keep me in your prayers.

Hope to see you when I make my first visit to Klang this year in April.

Please take very good care of yourself and the Lord be with you always.

Love, Mollie
