LETTER FROM SUBANG JAYA

Dear all,

Trust that all is well with you and the church.

This is again, coming to you with exciting news with regards to the Evangelism Seminar that will take place on May 1st.

The theme of this year's seminar will be "I have a dream."

In this seminar, we hope that all the faithful congregations can/will express the destination (goals) and direction you are taking to achieve the "dream of congregation". It will be good to spell out both the short term goals and long term goals and share it in the Seminar.

In this manner, the churches will be able to learn from one another and also will be excited in the field of evangelism.

We also look forward to have a few field reports of recent trips.

The gospel has been to our shore for some 55 years now and I think it is the right time for us to be planning AND working (together) on some better, bigger plans to save souls. Since 1986 incident, we do not seem to be able to recover in our evangelistic zeal and cooperation which we once had?

In view of the above and since May 1st., is a Friday, it will be good to have the Visionary Leadership Meeting on 2 May., 2009, Saturday. We trust that this is acceptable and kindly forward us your feed back for us to work on.

Do pray for this seminar and also plan to come in big numbers.

Thank you and God bless.

Official Letter to follow.

Richard Lee
